HOLOGIC™
The Women's Health Company

Isn't it time you made the promise?

**I promise to take care of me.
For myself and the people that love me.**

I promise to take care of my health. When I am in good health, I am a strong woman. When I am strong I can help myself and the people around me. I deserve to put myself and my health before anything else. I will spread this message to all of the women in my life who need to take care of themselves. This is my promise.

*Make the Promise.
Pass it on.*

*Help Yourself. Help your Girlfriends.
Help a Woman in Need.*

Let's empower women across the world to take ownership of their health. When you ask your girlfriends to make the promise through **promiseto.me.com**, Hologic will donate funds towards healthcare for uninsured women. Help us reach our goal of giving this gift to women in need.

Please, make the promise. Then pass it on.
